03 / Operations

① Assembly

Take out the sofa, tighten the wooden legs clockwise one by one.

Note: As foot length discrepancy may occur, EVA pads can be added to adjust and make the feet even.

② Power

Plug the power cord into the input port at the back, and then turn on the power.

The status LED flashes red, blue and green alternately to enter the automatic working mode.

③ App Set-up

Join the sofa to your local Wi-Fi to monitor and control.

Download the Petoneer app, and add the sofa to the app as prompted!

04 / Quick Setup

1. Scan the QR code on the right and download the Petoneer App which is available on App Store and Google Play. Click Sign up to get walked through to create your Petoneer account.

2. Power on and ensure the Wi-Fi Indicator LED is blinking fast reflecting the device is ready for joining the Wi-Fi.

Open the Petoneer App and click the '+' button and get walked through the SET-UP steps.

06 / Precautions

1. Make sure to use this unit on level ground.
2. Never use this sofa for less than three months' young pets
3. For first-time use, you can place some catnip or snacks on the sofa bed to help the cat relax and familiarize with new products.
4. Do not use this unit as the only heating source for baby pets.
5. For daily use of the sofa, please clean it regularly with a dry cloth.
6. Never soak this product in water.
7. Do not place it in direct sunlight or places at high temperature for a long time to prevent deformation and fading.
8. Make sure to keep the ventilation opening unobstructed during use.
9. Children have to use it under the supervision and guidance of adults.
10. Please hide or organize the power cord to prevent pets from biting.
11. Condensation may occur during heating or cooling due to the temperature drop. It is a normal phenomenon, and please wipe condensed drops in time.
12. The cooling temperature can be up to 9 degrees, whereas the heating temperature can be up to 12 degrees. The heating and cooling is always related to the indoor ambient temperature.
13. It is recommended for pets within 15KG.

Read all the instructions

When using electrical appliances, basic safety precautions should always be followed, including the following:

1. Do not touch hot surfaces. Use handles.
2. To protect against electric shock do not immerse cord, plug into water or other liquid.
3. Close supervision is necessary when any appliance is used by or near children.
4. Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts, and before cleaning the appliance.
5. Do not operate any appliance with a damaged cord or plug, should the appliance malfunction, or if it has been damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair or adjustment.
6. The use of the accessory attachments is not recommended by the appliance manufacturer as it may cause injuries.

7. Do not use outdoors.
8. Do not let the cord hang over edge of table or counter, or touch hot surfaces.
9. Do not place on or near a hot gas or electric burner, or in a heated oven.
10. Always attach plug to appliance first, then plug cord in the wall outlet.
11. Do not use the appliance for other than intended use.
12. WARNING: Never leave the appliance unattended whilst in use.
13. Warning: keep the supply cord away from heating tip and metal enclosure while using.
14. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instructions concerning use of the appliance by a person responsible for their safety.
15. Children should be supervised to ensure that they do not play with the appliance.
16. If the SUPPLY CORD is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
17. WARNING: This tool must be placed on its stand when not in use.

SAVE THESE INSTRUCTIONS.

For the purposes of supply by Adapter, only use the detachable supply unit provided with this appliance:
