Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Multifunctional Ball Adapter for Tripods PULUZ

Description

The PULUZ PU1057B ball head is made of aviation aluminum, which combines exceptional lightness with impressive durability. It weighs only 69 g, making it lighter than most smartphones, while being resistant to impacts, corrosion, and harsh weather conditions. Whether you are photographing at the beach, in the mountains, or during urban outings – you can count on durability that will not be surprised by rain or frost.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product to prevent reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Model: PU1057B
