Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Mini Case/EVA PULUZ Cover for Insta360 GO Ultra

Description

The PULUZ PU785B case is designed for the Insta360 GO Ultra camera, offering compact and secure protection during everyday use and travel. Made from durable EVA material, resistant to pressure and shocks, it effectively protects the device from mechanical damage, dust, and scratches. This is an essential accessory for anyone who wants to keep their camera in perfect condition.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
