Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Silicone Lens Cover + PULUZ Case for Insta360 GO Ultra

Description

The PULUZ PU786B silicone cover for Insta360 GO Ultra is designed for maximum protection of the camera during everyday use and outdoor shots. Perfectly fitted, molded 1:1 to the original device body, it effectively protects the lens, microphone, light, and magnetic port from scratches, dust, and impacts. Thanks to precise cutouts, it maintains full access to all camera functions without limiting its recording capabilities.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
