Silicone Case with Lens Cover PULUZ for DJI Osmo 360

Description

The PULUZ PU789B silicone case has been specially designed for the DJI Osmo 360 camera, providing full protection for both the body and the lens. Made from high-quality silicone with enhanced shock resistance, it effectively protects the equipment from scratches, dust, and impacts. The perfect 1:1 fit ensures that the camera retains full functionality and an elegant appearance, while all buttons and ports remain easily accessible.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.
