Puluz · EAN 5905156101036

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

360° Aluminum Handlebar Mount PULUZ for Sports Cameras

Description

The PULUZ 360° Aluminum Handlebar Mount is a sturdy and versatile accessory that allows you to attach sports cameras to the handlebars of a motorcycle, bicycle, or scooter. The full 360° rotation makes it easy to position the camera at any angle—both vertically and horizontally. This way, you can capture every moment of your ride from the perfect perspective, regardless of the type of activity.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
