Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Suction Cup Mount for Magic Arm PULUZ (Black)

Description

The Suction Cup Mount for Magic Arm PULUZ is a reliable accessory for photographers, vloggers, and drivers who need a secure mounting solution for cameras, smartphones, or lighting. Equipped with a strong industrial-grade vacuum suction cup, it ensures a firm hold even on smooth surfaces such as car windows, bodywork, or desktop surfaces. The locking system with an air valve prevents accidental detachment, and unlocking is done with a single motion.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
