

PULUZ Θήκη φόρτισης σιλικόνης Προστατευτικό κάλυμμα για DJI Mic 3 (Μαύρο)

Puluz · EAN 5905156101067

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Silicone Protective Case for Charging Case PULUZ for DJI Mic 3

Description

The PULUZ protective case is designed for the charging case of DJI Mic 3 microphones. It protects the device from shocks, drops, scratches, and dirt, ensuring that your microphones remain in perfect condition even during frequent transport. The precisely fitted 1:1 shape takes into account all details of the original case – from indicator lights to USB ports and the manufacturer's logo.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
