User Manual

Puluz 50cm LED Light Tent PU5051EU

Description

The Puluz PU5051EU is a light tent that allows you to create professional product photos without complex lighting setups. With 50 cm of working space, a powerful LED panel, and included colored backgrounds, it provides a convenient and practical workspace that you can set up in just a few moments – at home, in the office, or on location.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Model: PU5051EU

Main Material: Oxford Fabric, Aluminum Foil, PVC, ABS, PE

Number of LEDs: 200

LED Model: 2835

LED Brightness: 25 lm

Color Temperature Range: 3200-6500 K

Number of Adjustment Levels: 10

CRI: ≥ 90

Power Interface: DC 5.5 × 2.1 mm

Voltage: DC 15 V

Brightness during tests inside the tent: Dual color temperature: 9440 lx, white light: 5212 lx, warm light: 4922 lx

Power Consumption: 1.8-30 W

Light Panel Diameter: 32 cm

Tent Dimensions: 50 x 50 x 50 cm

Environmental Protection

Used electronic equipment marked in accordance with the European Union directive must not be disposed of with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The system for collecting used equipment complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased. The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, identifying hazards that should be detected and eliminated.
