Puluz · EAN 5905156101135

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Silicone Strap / Pet Collar Puluz for DJI Osmo Nano

Description

The Puluz silicone strap is a versatile accessory that allows for convenient mounting of the DJI Osmo Nano camera in various locations. Its lightweight, flexible, and fully adjustable design enables the use of the device in many situations – you can mount it on your wrist, bike, or backpack, or even use it as a pet collar.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
