User Manual

Puluz Lens Protective Cover for Insta360 X4 Air (Tempered Glass)

Description

The Puluz protective cover for Insta360 X4 Air is a durable lens protection designed for intensive use of the camera in the field. The construction combines high-resistance tempered glass with precise mounting, ensuring protection for the most sensitive part of the equipment against scratches, impacts, water, and dirt – without affecting the quality of recordings.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.
