Puluz · EAN 5905156101784

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

## User Manual

### Puluz Magnetic Adapter with Quick Connector for Insta360 GO Ultra

#### Description

The Puluz magnetic adapter for the Insta360 GO Ultra camera is a compact and sturdy accessory designed for creators who value speed, stability, and full control over their framing. The lightweight yet durable construction, magnetic mounting system with a secure lock, and protective silicone layer ensure that the camera is securely mounted even during dynamic shots. The thoughtfully designed mounting angle facilitates vlogging and perfect framing, while the one-click quick operation allows you to focus on content creation.

#### Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), cease use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: [hurt@innpro.pl](mailto:hurt@innpro.pl), website: <https://innpro.pl/>) or another specialist.
