User Manual

Puluz Multifunctional Magnetic Adapter with Quick Release for Insta 360 GO Ultra

Description

The Puluz magnetic adapter is a compact and sturdy accessory designed for creators who expect maximum convenience and reliability while recording. Its lightweight yet durable construction, instant magnetic mounting, and the ability to precisely adjust the angle ensure that the camera is always secure and ready to work in any situation. The universal mounts increase the flexibility of the set, allowing it to be adapted to various recording scenarios and accessories, making the adapter a practical foundation for dynamic and creative shots.
