Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Puluz Silicone Protective Case with Strap for DJI Osmo Action 6

Description

The Puluz protective case is a practical and stylish solution for those who want to use their camera without worries in any conditions. Precisely fitted to the device, it effectively protects it from impacts, scratches, and dirt, while maintaining lightness and full comfort of use. The additional lens cover and strap with a sturdy carabiner increase the safety of the equipment in motion, allowing you to focus on recording dynamic shots without the risk of damaging or losing the camera. This is a reliable accessory that combines functionality, durability, and comfort for everyday and outdoor use.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
