User Manual

Titanium Expansion Cage with Handle and Additional Puluz Connectors for DJI Osmo Action 6

Description

The Puluz Titanium Expansion Cage for DJI Osmo Action 6 is an accessory designed for creators who want to extract the maximum potential from their camera – without compromising on ergonomics, safety, and comfort of use. It combines a robust construction made from aerospace aluminum, a comfortable handle, intelligent magnetic solutions, and additional connectors that pave the way for more advanced shots. This tool not only protects the camera but also significantly enhances the recording process – in the field, on the move, and in dynamic scenarios.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), cease use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Model: PU1077TS

Compatibility: DJI Osmo Action 6
