User Manual

Puluz Magnetic Adapter with Quick Connector for DJI Osmo Action 6

Description

The Puluz magnetic adapter designed for the DJI Osmo Action 6 is an accessory for creators who want to work faster, more confidently, and without limitations. It combines the convenience of magnetic mounting with a robust double safety mechanism, allowing you to quickly change the camera configuration without the risk of it detaching. This is the perfect solution for both dynamic shots in motion and calm recordings that require stability and precision.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
