User Manual

Puluz Waterproof Diving Case for DJI Osmo Action 6 (up to 60m)

Description

The Puluz waterproof diving case compatible with DJI Osmo Action 6 is an accessory designed for users who want to conveniently record underwater adventures and water sports. It provides effective protection for the camera up to a depth of 60 meters while maintaining excellent image quality. This reliable solution is ideal for divers, surfers, and all enthusiasts of physical activities who care about the safety of their equipment and professional shots in any conditions.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product to prevent reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
