

Instruction Manual

For Insta360 GO 3 / GO 3S PULUZ Magnetic Pendant Holder Quick Release Neck Strap (White)

Product Description

The PULUZ magnetic pendant holder enables secure and convenient attachment of the Insta360 GO 3 and GO 3S cameras. The quick release mechanism allows for swift and effortless mounting and removal of the device. Designed as a neck strap, the product ensures stable and secure carriage of the camera. The white color of the holder is designed to harmonize with the device's aesthetic.

Intended Use

For safety and certification compliance, the product must not be modified or altered in any manner. Using the product for purposes other than those specified may cause damage to the product. In addition, improper use may pose safety risks. Carefully read the user manual and retain it for future reference. The safety precautions outlined in the manual must be read and strictly observed.

1. This product is not a toy. Keep out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent any further use.
5. Handle the product with caution. Shocks, impacts, or dropping of the product may cause damage.
6. If there are any doubts regarding use or safety, please consult a qualified professional.
7. If you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another qualified professional.
