

User Manual

Puluz Charging Case for Insta360 X5

Description

The PULUZ PU765B is a charging case specifically designed to simultaneously charge two batteries. This product also serves as an organizer, enabling the storage of both batteries and memory cards. It is intended exclusively for use with the Insta360 X5 camera. The black housing ensures secure storage and safe transport.

Intended Use

For safety and certification purposes, the product must not be altered or modified under any circumstances. Using the product for purposes other than those specified may cause damage to the product. Moreover, improper use may pose safety risks. Thoroughly read the user manual and retain it for future reference. All safety instructions contained in this manual must be read and strictly followed.

1. This product is not a toy. Keep the product out of the reach of children and animals.
2. Protect the product from extreme temperatures; direct sunlight; strong vibrations; high humidity; moisture; flammable gases; fumes; and solvents.
3. Avoid subjecting the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product can cause damage.
6. If any uncertainties arise concerning operation or safety, immediately consult a qualified specialist.
7. If you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another qualified specialist.
