

User Manual

Puluz Silicone Case for Insta360 GO Ultra

Description

The PULUZ PU786W silicone protective case has been specifically designed for the Insta360 GO Ultra camera, providing protection for the device body. The set also includes a dedicated lens cover that protects the lens from scratches and dirt. Additionally, the included lanyards facilitate the safe transportation of the camera. The product is made of white silicone.

Intended Use

For safety and certification purposes, the product must not be modified or altered in any manner. Using the product for purposes other than those described may result in damage. Additionally, improper use may pose safety hazards. Carefully read the user manual and retain it for future reference. Read and comply with all safety instructions contained within the manual.

1. This product is not a toy. Keep out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer assured (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further use.
5. The product should be handled carefully. Shocks, impacts, or dropping the product can result in damage.
6. If there are any doubts concerning operation or safety, please consult a qualified professional.
7. Should you have any questions that are not addressed within this manual, please contact our Customer Service Department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another qualified specialist.
