

User Manual

Puluz Protective Case for Insta360 ONE X2

Description

The PULUZ polycarbonate protective case is designed specifically for the Insta360 ONE X2 camera. Its construction provides protection for the device. The kit includes a mounting adapter and a screw to facilitate securing the camera to various accessories. The product is available in black.

Intended Use

For safety and certification purposes, the product must not be modified or altered in any manner. Using the product for purposes other than those specified may cause damage to the device. Additionally, use contrary to the intended purpose may result in hazards. Thoroughly read the user manual and retain it for future use. All safety instructions contained in the manual must be read and strictly observed.

1. This product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, elevated humidity, moisture, flammable gases, vapors, and solvents.
3. Avoid exposing the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further use.
5. Handle the product with caution. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, you should consult a qualified professional.
7. If you have any questions not addressed in this manual, please contact our customer service (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified professional.
