

User Manual

PULUZ Neck Strap for DJI RC 2/RC 1/Air

Description

The PULUZ PU851B neck strap is designed to securely carry DJI controllers. It enables the DJI RC 2, RC 1, Air 3, Mini 4 Pro, Mini 3 Pro, Air 2S, Air 2, and Mavic 2 Screen Remote Control to be comfortably worn around the neck. This allows the user to keep the controller readily accessible while keeping their hands free. This product provides a practical solution for drone operators who prioritize unrestricted movement during equipment operation.

Usage in strict accordance with the intended purpose

For safety and certification compliance, any modifications or alterations to the product are strictly prohibited. Using the product for purposes other than those specified may result in damage. Moreover, improper use may create safety hazards. Thoroughly read the user manual and retain it for future reference. The safety instructions contained in this manual should be thoroughly read and strictly adhered to.

1. This product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from exposure to extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or is not functioning properly), discontinue use immediately and secure the product against reuse.
5. The product must be handled cautiously. Shock, impact, or dropping of the product may cause damage.
6. If any questions or concerns arise regarding operation or safety, please consult a qualified professional.
7. Should you have any questions that are not addressed within this manual, please contact our customer support team via email at hurt@innpro.pl or visit our website at <https://innpro.pl>
. Alternatively, consult with an authorized specialist.
