

User Manual

Puluz Protective Case for GoPro HERO12/11/10 Black

Description

The PULUZ protective film set has been designed for GoPro HERO12 Black, HERO11 Black, HERO10 Black, and HERO9 Black cameras. It includes tempered glass films intended to protect both the lens and the LCD screen. These films feature a hardness rating of 9H, providing effective resistance against scratches. Moreover, the 2.5D rounded edges ensure a smooth finish and enhance user comfort.

Use in compliance with the intended purpose

For safety and certification reasons, the product must not be modified or altered under any circumstances. Use of the product for any purpose other than those specified may result in product damage. Moreover, improper use may pose safety hazards. Carefully read the user manual and retain it for future reference. All safety instructions provided in the manual must be read and strictly followed.

1. This product is not a toy. Keep it out of reach of children and pets.
2. Protect this product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (e.g., the product is damaged or malfunctioning), immediately cease use and prevent the product from being used again.
5. The product must be handled with care. Shocks, impacts, or drops can cause damage to the product.
6. If any doubts arise regarding operation or safety, please consult a qualified professional.
7. Should you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
