

User Manual

Puluz 360 Degree Rotation Bike Aluminum Handlebar Mount

Description

The PULUZ PU223B mount enables secure attachment of sports cameras to bicycle handlebars. The aluminum construction provides robust and stable mounting. The adapter supports a full 360-degree rotation, allowing flexible adjustment of the recording angle. A mounting screw is included to facilitate secure camera installation. This product is compatible with GoPro, Insta360, DJI, and other sports cameras.

Use strictly in accordance with the intended purpose

For safety and certification reasons, under no circumstances should the product be modified or altered. Utilization of the product for purposes other than those specified may result in damage to the product. Moreover, use inconsistent with the intended purpose may pose safety risks. Thoroughly read the user manual and retain it for future reference. All safety instructions provided in the manual must be read and strictly adhered to.

1. This product is not a toy. Keep this product out of the reach of children and pets.
2. Ensure the product is protected from extreme temperatures, direct sunlight, intense vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (due to product damage or malfunction), cease use immediately and ensure the product is secured to prevent any further use.
5. Handle the product with utmost care. Shocks, impacts, or dropping the product may result in damage.
6. If any uncertainties arise concerning operation or safety, please consult a qualified specialist.
7. Should you have any questions not addressed in this manual, please contact our Customer Service Department via email at hurt@innpro.pl or visit our website at <https://innpro.pl/>. Alternatively, consult a qualified specialist.
