

Instruction Manual

Puluz Handlebar Mount for Sports Cameras with Tripod Thread (Black)

Product Description

The PULUZ PU177B handlebar mount enables secure mounting of sports cameras onto motorcycle or bicycle handlebars. It is designed for use with devices such as GoPro, Insta360, and DJI. The product features a tripod thread and mounting screw to ensure safe attachment of the camera. The mount is available in black.

Use only as intended

For safety and certification reasons, the product must not be modified or altered in any manner. Using the product for purposes other than those specified may cause damage to the product. Moreover, use that is not in accordance with intended purpose may create hazards. Read the instruction manual carefully and retain it for future reference. Ensure to read and comply with all safety instructions contained in this manual.

1. This product is not a toy. Keep the product out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, intense vibrations, high humidity, dampness, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (product is damaged or not functioning properly), discontinue use and prevent reuse of the product.
5. Handle the product with caution. Shocks, impacts, or dropping the product may result in damage.
6. If any doubt arises concerning operation or safety, consult a qualified professional.
7. Should you have any questions not addressed in this manual, please contact our Customer Service Department at hurt@innpro.pl or visit our website at <https://innpro.pl/>, or consult a qualified specialist.
