

User Manual

Puluz Tempered Glass for GoPro Hero11 Black Mini (Transparent)

Description

The PULUZ set includes two pieces of protective tempered glass films specifically designed to safeguard the camera lens. This product has been custom-designed for the GoPro Hero11 Black Mini. The films are transparent to ensure the original image quality remains unaffected. Their purpose is to protect the lens from scratches and mechanical damage.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Use of the product for purposes other than those intended may result in damage. Moreover, improper use may pose safety risks. Read the user manual carefully and retain it for future reference. All safety instructions contained in the manual must be read and strictly followed.

1. This product is not a toy. Keep out of reach of children and animals.
2. Protect the product against extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), discontinue use immediately and secure the product to prevent any further use.
5. Handle the product with care. Do not subject the product to shocks, impacts, or drops, as they may cause damage.
6. If any doubts arise concerning operation or safety, please consult a qualified specialist.
7. If you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
