

User manual

Puluz Handle for DJI Osmo Action 5 Pro/4/3 (Black)

Description

The PULUZ PU883B protective cage is designed for the DJI Osmo Action 5 Pro, 4, and 3 cameras. Made from plastic, it offers reliable protection for the device. The design enables vertical mounting of the camera. Integrated cold shoe mounts expand options for connecting accessories.

Use in accordance with the intended purpose

For safety and certification purposes, do not modify or alter the product in any manner. Using the product for any purposes other than those specified may result in damage to the product. Moreover, improper use may cause safety hazards. Read the user manual thoroughly and retain it for future reference. Read and strictly adhere to all safety instructions provided in the manual.

1. This product is not a toy. Keep this product out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), immediately cease use and secure the product to prevent any further usage.
5. Handle the product with care. Shocks, impacts, or dropping the product can cause damage.
6. If any doubts arise concerning operation or safety, always consult a qualified professional.
7. Should you have any questions not addressed by this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another qualified specialist.
