

User Manual

Puluz Neck Mount for Sports Cameras and Smartphones (Black)

Description

The PULUZ PU588B is an adjustable neck mount designed for ergonomic hands-free recording. It supports mounting GoPro sports cameras and smartphones, offering stable first-person perspective footage. Its flexible construction allows the user to precisely adjust the recording angle. The product is available in black.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any manner. Using the product for purposes other than those intended may result in damage. Moreover, improper use may pose safety risks. Carefully read the user manual and keep it for future reference. Please read and strictly adhere to the safety instructions provided in this manual.

1. This product is not a toy. Keep out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, intense vibrations, excessive humidity, moisture, flammable gases, vapors, and solvents.
3. Avoid subjecting the product to mechanical loads.
4. If safe operation can no longer be guaranteed (for example, if the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent any further use.
5. Handle the product with care. Shocks, impacts, or dropping the product can cause damage.
6. If there are any doubts concerning the operation or safety of the product, please consult a qualified professional.
7. If you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
