

User Manual

Puluz 3-in-1 Protective Cover for DJI OSMO Pocket 3

Product Description

The PULUZ 3-in-1 set provides a comprehensive protective solution for the DJI Osmo Pocket 3 camera. It comprises three silicone elements designed to safeguard the device.

The product is engineered for precise compatibility with the DJI Osmo Pocket 3, offering protection against everyday wear and tear. The set is uniformly finished in black, harmonizing with the camera's design aesthetic.

Intended Use

For safety and certification purposes, the product shall not be modified or altered in any manner. Using the product otherwise than intended may result in damage. In addition, improper use may present hazards. Read the user manual thoroughly and keep it for future reference. The safety instructions contained in this manual must be read and strictly observed.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Avoid exposing the product to extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical strain.
4. If safe use is no longer possible (the product is damaged or not functioning properly), operation must be ceased immediately and the product secured against further use.
5. The product must be handled with caution. Shocks, impacts, or dropping the product can result in damage.
6. If any doubts arise regarding operation or safety, please consult a qualified professional.
7. Should any questions arise that are not addressed within this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
