

User Manual

Puluz Protective Case for DJI Osmo Action

Description

The PULUZ Standard Border Frame protective case is specifically designed for the DJI Osmo Action camera, offering fundamental protection. Constructed from ABS material, the frame is supplied with a buckle mount and screw. This configuration enables the camera to be securely attached to a variety of accessories. The product is available in black.

Usage in Accordance with Intended Purpose

For safety and certification purposes, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in damage to the product. Moreover, improper use may present safety hazards. Thoroughly read the user manual and retain it for future reference. It is imperative to read and strictly adhere to the safety instructions contained within the manual.

1. This product is not a toy. Keep the product out of reach of children and animals.
2. Safeguard the product against exposure to extreme temperatures, direct sunlight, intense vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), cease use immediately and prevent further use of the product.
5. Handle this product with care. Shock, impact, or dropping of the product may result in damage.
6. If there are any uncertainties concerning operation or safety, please refer to a qualified specialist.
7. Should you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified professional.
