Warnings and safety information

All information regarding the use of the product can be found in the user manual. Before you start using it, familiarize yourself with its content and follow the instructions contained therein.

Before use, also familiarize yourself with the following information:

Usage warnings

Risk of device damage:

Make sure you use the device according to its intended purpose – overloading the extensions, tripods, or mounts may cause damage or breakage.

- Do not use the equipment in harsh conditions, such as strong winds, which may topple the tripod or damage
- the device mounted on it. Before each use, check the stability and proper mounting of the device to avoid its fall, especially when it is a camera, phone, or photographic camera.
-

- falls, and other factors that may contribute to its damage.

Risk to children:

Extensions, selfie sticks, tripods, and mounts are not toys and are not intended for children.

- Store the product in a place inaccessible to children.
 - small parts, such as screws, clamps, and mounts,
- may pose a choking hazard.

Risk of injury:

Exercise caution when unfolding and assembling

extensions, tripods, or selfie sticks –

- improper use may lead to pinched fingers or hand injuries.

Avoid using extensions and tripods in large crowds to prevent accidentally hitting other people.

Information on proper usage

- Mounting and configuration:

Transport and storage:

- After use, the equipment should be folded and

-

-

stored in an appropriate case or cover,

to prevent mechanical damage.

Avoid storing the product in places

exposed to moisture, extreme temperatures, or dust – otherwise, it may be damaged or

wear out faster.

-

-

-

Regularly check the condition of mechanical components, such as screws, hinges, and latches – if worn or damaged, replace them with new ones to avoid problems during use. For cleaning, use a soft cloth and gentle cleaning agents – avoid chemicals that may damage protective coatings on the surfaces

of tripods and mounts.

Safe disposal:

If the product is permanently damaged, dispose of it according to local regulations regarding metal or plastic waste.

If you need additional information regarding the product, contact customer service (email:

another specialist.
