

User Manual

Puluz Waterproof Travel Case for Sports Cameras and Accessories 23 x 17 x 7 cm

Description

The PULUZ PU102 is a waterproof case designed for the transportation and storage of sports cameras and accessories. Compatible with GoPro, Insta360, DJI, and other action camera models, it ensures reliable protection of equipment during travel. With external dimensions of 23 cm x 17 cm x 7 cm, it facilitates organized storage of your devices and accessories. The construction of the case provides moisture protection, which is essential during outdoor activities.

Use strictly in accordance with the intended purpose

For safety and certification reasons, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may cause damage. Moreover, improper use may pose safety hazards. Thoroughly read the user manual and retain it for future reference. It is mandatory to read and strictly adhere to all safety instructions provided in this manual.

1. The product is not a toy. Keep the product out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation can no longer be assured (e.g., the product is damaged or malfunctioning), immediately cease use and secure the product to prevent any further operation.
5. Handle the product with care. Exposure to shocks, impacts, or drops may result in damage to the product.
6. In case of any uncertainties concerning operation or safety, seek assistance from a qualified technician.
7. Should any questions arise that are not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
