

User Manual

Puluz Silicone Protective Case for GoPro HERO13 Black

Product Description

The PULUZ PU949B protective case, constructed from silicone, is specifically designed for the GoPro HERO13 Black camera. It offers effective protection for the device while maintaining full access to the side interface. The package also includes a lens cover and a wrist strap to enhance user safety. The product is available in black.

Intended Use and Application

For safety and certification purposes, the product must not be reconfigured or altered by any means. Using the product for purposes other than those specified may result in damage to the product. Moreover, use inconsistent with its intended purpose may pose safety risks. Carefully read the user manual and retain it for future reference. The safety instructions contained within the manual must be read and strictly adhered to.

1. This product is not a toy. Keep out of the reach of children and pets.
2. Protect this product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or does not function properly), discontinue use immediately and secure the product to prevent further use.
5. The product must be handled with caution. Shocks, impacts, or dropping the product may result in damage.
6. If any doubts arise concerning operation or safety, please consult a qualified professional.
7. Should you have any questions not answered within this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another qualified specialist.
