

User Manual

Puluz Silicone Case for GoPro HERO 4K 2024

Product Description

The PULUZ PU717B protective silicone case is specifically designed for the GoPro HERO 4K 2024 cameras. It provides protection for the device while maintaining full access to the side interfaces via a dedicated cover. The package also includes a wrist strap to enhance operational safety. Furthermore, the included lens cover safeguards the camera lens from scratches and dirt. The entire set is presented in black.

Intended Use

For safety and certification purposes, the product must not be modified or altered in any way. Use of the product for purposes other than those described may result in damage. Furthermore, improper use may pose safety risks. Read the user manual carefully and retain it for future reference. Please read and comply with all safety instructions contained in this manual.

1. The product is not a toy. Keep out of reach of children and pets.
2. Protect this product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (e.g., the product is damaged or malfunctions), immediately cease use and secure the product to prevent further operation.
5. Handle the product with care. Shocks, impacts, or dropping the product can cause damage.
6. If there are any doubts concerning operation or safety, please contact a qualified professional.
7. Should you have any questions that are not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another qualified specialist.
