

User Manual

Puluz GoPro Max Silicone Protective Case

Product Description

The PULUZ PU454B kit provides complete protection for the GoPro Max camera. It comprises a silicone protective case for the camera body and dual lens covers. These components are engineered to protect the device from mechanical damage. The entire assembly is finished in black, ensuring a uniform and consistent appearance.

Intended Use

For safety and certification purposes, the product must not be modified or altered under any circumstances. If the product is used for purposes other than those specified, it may be damaged. Furthermore, use contrary to the intended purpose may result in hazards. Thoroughly read the operating instructions and retain them for future reference. The safety instructions contained within the manual must be read and strictly adhered to.

1. This product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct exposure to sunlight, strong vibrations, elevated humidity levels, moisture ingress, flammable gases, fumes, and solvents
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer ensured (the product is damaged or malfunctioning), immediately cease use and render the product inoperable to prevent any further usage.
5. The product should be handled with caution. Exposure to shocks, impacts, or accidental drops may result in damage to the product.
6. In the event of any uncertainties concerning operation or safety, contact a qualified professional.
7. Should any questions arise that are not addressed within this manual, please contact our Customer Service Department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
