

User Manual

Puluz Foam Protective Case for GoPro HERO13 Black

Product Description

The PULUZ foam case with windscreen is specifically designed for the GoPro HERO13 Black camera. It provides device protection while effectively reducing wind noise during recording. This dedicated solution is intended for users aiming to enhance audio quality under adverse weather conditions. The product is offered in black.

Intended Use

For safety and certification compliance, this product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in damage to the product. Additionally, use inconsistent with its intended purpose may pose safety risks. Thoroughly read the user manual and retain it for future reference. The safety instructions contained herein must be read and strictly observed.

1. The product is not a toy. Must be kept out of reach of children and animals.
2. Protect the product against extreme temperatures, direct sunlight, strong vibrations, elevated humidity, moisture ingress, flammable gases, vapors, and solvents
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (e.g., the product is damaged or malfunctioning), discontinue use immediately and prevent the product from being used again.
5. The product must be handled with caution. Shocks, impacts, or dropping the product may result in damage.
6. If you have any doubts about operation or safety, you should consult a qualified professional.
7. Should any questions arise that are not addressed within this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
