

User Manual

Puluz PU882B Flexible Clip Mount (Black)

Description

The PULUZ PU882B is a flexible clip mount constructed from silicone. The design of the mount features an integrated clamp specifically for mobile phones. This product is designed for use with mobile phones and GoPro cameras. Its flexibility enables secure mounting in diverse locations

Intended Use

For safety and certification purposes, the product must not be modified, reconstructed, or altered in any manner. Using the product for purposes other than those specified may result in damage to the product. Furthermore, improper use may pose safety hazards. Read the user manual thoroughly and retain it for future reference. All safety instructions provided in this manual must be read and strictly adhered to.

1. This product is not a toy. Keep out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further use.
5. The product must be handled with caution. Shocks, impacts, or dropping the product can result in damage.
6. If there are any doubts concerning operation or safety, please consult a qualified professional.
7. Should you have any inquiries not addressed within this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
