

User Manual

Puluz Live Streaming Phone Holder (Black)

Description

The PULUZ PU650B holder is an articulated arm designed for desk mounting. The integrated clamp enables secure mounting of a smartphone. The holder's design is optimized specifically for live streaming applications.

Intended Use

For safety and certification purposes, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in product damage. Furthermore, improper use may result in potential hazards. Please read the user manual carefully and retain it for future use. It is essential to read and adhere to the safety instructions provided in this manual.

1. This product is not a toy. Ensure it is kept out of the reach of children and animals.
2. Protect the product from exposure to extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Avoid exposing the product to mechanical loads.
4. If safe operation can no longer be ensured (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent any further operation.
5. The product should be handled with caution. Shocks, impacts, or dropping the product may result in damage.
6. Should any questions arise concerning operation or safety, it is advised to consult a qualified specialist.
7. Should you have any questions not addressed in this manual, please contact our Customer Service Department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult a qualified specialist.
