

User manual

Puluz scratch-resistant lens cover for GoPro HERO13 Black (black)

Description

The PULUZ PU955B lens cover has been designed specifically for the GoPro HERO13 Black camera. Made from soft TPU and rubber, it effectively protects the lens from scratches. It is a protective cover that ensures the safety of the camera lens. The product is black.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose a hazard. Read the user manual carefully and keep it for future reference. Please read and follow the safety instructions contained in the manual.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), stop using it and secure it to prevent further use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If you have any doubts regarding operation or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service department (email: hurt@innpro.pl , website: <https://innpro.pl/>) or another specialist.
