User manual

Puluz lens cover for GoPro HERO12, HERO11, HERO10 and HERO9 Black – scratch-resistant (black)

Description

The PULUZ PU541B lens cover is designed to protect the lens of the GoPro HERO12 Black, HERO11 Black, HERO10 Black and HERO9 Black. Made from soft TPU rubber, it offers scratch resistance. Its precise fit ensures effective protection against mechanical damage. It is a practical accessory for users of the aforementioned GoPro models.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose a hazard. Read the user manual carefully and keep it for future reference. Please read and follow the safety instructions contained in the manual.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If you have any doubts regarding operation or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service department (email:hurt@innpro.pl , website: https://innpro.pl/) or another specialist.
