User Manual

Puluz 45 cm Rotating Display Stand

Description

Are you looking for a stand that will allow you to showcase jewelry, watches, handbags, or perhaps a collection of model cars? The Puluz rotating stand with a diameter of 45 cm is perfect for use at home, in a store display, or in a photography studio. The device rotates 360 degrees, and its noise level does not exceed 50 dB. The included remote control will allow you to conveniently operate the stand.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged.

Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
