
Silicone protective lens cover Puluz for Insta360 X3 (black)

Puluz · EAN 5905316141322

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Puluz silicone lens case for Insta360 X3

Description

Take care of your camera's safety! The silicone case is perfectly fitted to the lens of the Insta360 X3 sports camera. It effectively protects it from damage and scratches, as well as prevents dust, dirt, and other contaminants from getting inside. It is made of soft and flexible silicone, and putting it on will not cause you any problems.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
