User Manual

Rotating Phone Holder Puluz with Universal 1/4 Mount

Description

Even better shots. The Puluz phone holder is equipped with a universal 1/4 mount and cold shoe, allowing you to easily attach it to most devices. It is made of high-quality aluminum alloy, which stands out for its incredible durability, while the soft rubber protective elements will securely hold the phone in almost any situation. The product rotates 360 degrees and allows width adjustment from 6.5 cm to 9 cm.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
