Phone holder made of aluminum alloy

Description

Introducing our Premium Smartphone Filming Holder, made from high-quality aluminum alloy and soft protective rubber, ensuring a secure grip on the phone while providing maximum protection. The holder features a cold shoe mount on top, allowing for the attachment of additional video lights, flash units, LED lights, or microphones, enhancing filming capabilities. Equipped with 1/4 inch screw holes on the bottom and back, this versatile holder can be easily mounted on a selfie stick, tripod, stabilizer, or video slider, making it ideal for professional smartphone filming. Perfect for recording stable videos on Facebook Live, Periscope, and other live streaming platforms. The holder's clamp expands from 6.5 cm to 9 cm, making it compatible with most smartphones.

Intended use

It is intended for indoor use only. Using the device outdoors is not permitted. It must be unconditionally kept away from moisture, e.g., in bathrooms, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.
