Puluz · EAN 5905316147591

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Puluz selfie stick for action cameras - 3m (PU642B)

Description

The Puluz PU642B is an exceptional selfie stick made of aluminum alloy that will impress any photography and videography enthusiast. It consists of 5 sections, which when fully extended allow for an impressive reach of up to 300cm. This enables you to capture moments from an extraordinarily wide perspective, allowing you to create unique and striking shots.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product.

Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly),

discontinue use and secure the product against further use.

5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation, safety, or connecting the product, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service

office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
