Magnetic Adapter PULUZ PU708B 1/4 inch for Action Cameras

Description

1. High quality: The base mount with quick release for GoPro is designed for action cameras. It is easy to use, and the quality of workmanship is excellent, without the need for repeated tightening/loosening of screws.
2. Instant switching: The quick release mount needs only 1 second to switch the camera between multiple devices. If you are recording footage while cycling, you can also quickly remove the camera to take other shots.
3. Magnetic: The mount has a strong magnetic and rotating system that ensures the camera's safety.
4. Locking function: Rotate the knob in the center to quickly lock the camera, making it safer. Once locked, the mount can be used for various vigorous activities such as running, jumping, cycling, skiing, etc.
5. Lightweight and durable: The accessories are made of durable ABS plastic and are impact-resistant.
6. With GoPro base and standard base: The GoPro mount comes with a GoPro base and a standard base with a 1/4 inch screw hole.

Intended Use

The device is intended for indoor use only. Using it outdoors is not permitted. It is essential to avoid contact with moisture, for example in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
