Puluz · EAN 5905316148536

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Puluz
Motorcycle mount PULUZ (black)

Description

Do you want to capture your moments while traveling on a motorcycle, scooter, or bicycle? With the PULUZ mount, it will be very simple! It is compatible with any handlebar with a tube diameter from 1.5 to 5 cm, making it universal and very practical.

Intended use

The device is intended for indoor use only. Using it outdoors is not allowed. It is essential to avoid contact with moisture, for example, in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety instructions for use

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
