Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Puluz

Puluz Floating Grip for Sports Cameras and Phones (Black)

Description

Do you enjoy making stunning underwater videos? Do you need a gadget that allows for comfortable camera handling? The PULUZ Floating Grip will be perfect for you!

It is made of high-quality materials, making it durable and will serve you for a very long time. You don't have to worry about losing it in deep water, as it is designed to float on the surface.

Safety Instructions

You must read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
