Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Puluz silicone protective case for Insta360 GO 3 with lens cover

Description

Do you want to safely capture interesting moments with the Insta360 GO 3 camera connected to the Action Pod? With the PULUZ silicone case, it will be possible! Made from high-quality materials, it ensures the safety of your equipment. You no longer have to worry about accidental drops or impacts. With PULUZ, your camera will be fully protected, and you can enjoy creating stunning shots! The set also includes a special lens cover that further enhances the safety of the equipment.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
