User manual

Chin mount for PULUZ helmet for action cameras (including X5 / X4, Osmo Action 5 Pro)
PU579B

Description

The PULUZ PU579B helmet mount is an indispensable accessory for every two-wheeled enthusiast! With it, you can capture unique first-person perspective shots during your motorcycle ride. It is made from durable materials such as PC and polyester, making it perfect for extreme conditions. The silicone base adheres perfectly to the helmet, eliminating slipping and vibrations, ensuring reliable stability while recording. It is compatible with any full-face helmet and various action cameras, and its installation and removal will not be a challenge.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service (mail: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
